

Maker Challenge

Content Creation: **Stop-Motion Animation**

Complete the two of following:

- **Human.** Create a stop motion film starring your friends or family members. Have them take tiny movements between frame snapshots then build your movie clip.
- **Whiteboard.** Use a whiteboard and colored markers to create a stop motion film.
- **Paper cut-out.** Draw shapes or cut out images to create an animated story.
- **Everyday Objects.** Look around you. Any object, including toy or figurine, that can be moved can be used to make a stop motion film.
