Part 1 - Introduction

Section 1.1 – Personnel Policies

Nevada Public Library operates under the governance of the Nevada Public Library Board of Trustees.

The following policies have been established and approved by that Board and are intended to provide answers to many frequently asked questions. This handbook will acquaint you with policies, rules, and benefits which apply to all employees of Nevada Public Library.

It is your responsibility to read and be familiar with the contents of this handbook and to keep a copy for future reference. All staff members shall be supplied a copy of this manual and shall sign the Employment Acknowledgment Form at the end of this handbook, then submit it to the Library Director to be kept in their personnel file.

The statements and policies in this Handbook are intended to provide only general information about the policies and procedures at Nevada Public Library. Nothing contained herein is intended to create, or shall be construed as creating, an expressed or implied contract or guarantee of employment for a definite or indefinite term. Employees shall retain the right to terminate their employment and Nevada Public Library retains the right to terminate the employment of any employee for any reason with or without cause or notice.

Nevada Public Library reserves the right to delete, add to, and amend any policies, information, statements, employee benefits, or terms and conditions of employment contained in this Handbook at its own discretion, at any time, in accordance with state and federal requirements, with or without advance notice to employees. You will be notified of any approved changes by appropriate means and in a timely manner. Amendments or new policies will be effective on dates determined by the Library Board of Trustees, and you may not rely on policies that have been changed or deleted. This personnel manual supersedes all previous personnel policies and management memos which may have been issued on subjects covered herein. If you are uncertain about any policy or procedure, please check with the Library Director.

The Library Director is responsible for administering this policy and may issue directives to ensure compliance, establish additional procedures, and issue interpretations of this Personnel Manual.

Section 1.2 – Our Mission Statement

—Transforming lives and building community through information, education, and recreation.

Section 1.3 – Welcome to Nevada Public Library

Our employees are well known for their quality customer service.

The Library patron is the reason we are here. When an individual needs help finding information or just a good book to read, instruction on using the computer and searching the Internet, an entertaining and educational program for kids, or simply a quiet place to relax and read, Nevada Public Library offers all this with courtesy and a bright smile from its staff members. If you enjoy helping people, we think you'll like it here.

Welcome to the staff of Nevada Public Library!

Part 2 - Employment

Section 2.1 Equal Employment

The Nevada Public Library is committed to the principles of non-discrimination to assure equal opportunity in all categories of employment. All open positions are posted publically.

Section 2.2 United States Citizenship / E-Verify

All employees are required to provide proof of citizenship as requested or proof of a United States work permit before he/she can receive his/her first paycheck.

"This policy is written to comply with the Illegal Immigration Reform and Immigrant Responsibility Act as amended for the E-Verify Program. The Nevada Public Library shall participate in the E-Verify Program effective January 1, 2009 in cooperation with the Social Security Administration and the Department of Homeland Security.

The E-Verify Program is established to verify employment eligibility of all new employees hired after January 1, 2009. The new hire information will be submitted to the E-Verify system after the Form I-9 (Employment Eligibility Form) has been completed. The Library will comply with the regulations from the Social Security Administration and the Department of Homeland Security as outlined in the E-Verify Manual.

In addition, the Nevada Public Library shall post, for prospective employees, E-Verify Program notices in prominent places including bulletin boards, on the Library website, on job postings, and on employment applications."

Section 2.3 Nature of Employment

Employment with Nevada Public Library is not for any set period of time. The Library gives no guarantee or contract, either expressed or implied, on continued employment. Just as an employee is free to voluntarily terminate his or her employment at any time, the Library may terminate employment at any time, with or without notice or cause.

This policy applies to all employees. Nothing contained in this handbook or any other Library document is to be construed inconsistently with this policy.

This statement of policy may not be modified except in writing and signed by the Board President and the affected employees.

Section 2.4 Personnel Selection and Appointment

Authority for the selection and appointment of the Library Director shall rest solely with the Library Board of Trustees. Authority for the selection and appointment of all other Library positions shall be vested in the Library Director. Selection of employees is based solely on the requirements of the position, with due attention to appropriate educational, technical, and personal qualifications for the position, combined with prior work experience and references.

Section 2.4.1 Background Check

Prior to becoming an employee of the Nevada Public Library, a job-related background check may be conducted. A comprehensive background check consists of prior employment verification, professional reference checks, and education confirmation. As appropriate, criminal, health examination, and or driving record history may be obtained.

Section 2.5 Nepotism

No person may be employed by the library that is related by blood or marriage to any member of the board, the director, or any other employees of the library.

Section 2.6 New Employees

New employees are required to fill out state and federal withholding forms, employment eligibility verification form, sign and date a copy of their Job Description, and present two (2) forms of identification before they begin work. New employees will be given an introduction to the organization and a general orientation prior to and along with training in his/her work area.

Section 2.7 Changes in Employment Status

Promotion

A promotion is the advancement to a position that is on a higher salary range than the employee's current position. Eligibility for promotion will be based solely on skill, ability, work performance, and fulfillment of requirements of the job.

Part-time to Full-time

An employee who is moved from a part-time position to full-time status in the same position is not considered to have been promoted. All full-time benefits that accrue to the employee will be calculated based on the date of full-time employment.

Demotion

A demotion is the movement of an employee to a position on a lower salary range. Although demotion is discouraged, it may become necessary if the employee is unable to perform present duties. An employee demoted because of unsatisfactory service will be placed at the minimum salary level in the new position regardless of length of time in service.

Dismissal

Employment with the Nevada Public Library is at-will. An employee may be dismissed for cause by the library for unsatisfactory job performance or for misconduct that is a breach of library rules or policies. Unless otherwise approved by the library director, the dismissed employee will receive his/her final pay check on the normal payday for the pay period in which he/she is dismissed, subject to the return of all library property, including keys, equipment, materials checked out for library use, and other library materials.

Lay Off

A lay off may occur if a position is abolished due to lack of funds, lack of work, reorganization, or other related reasons. This employee is eligible for rehire if circumstances improve.

Abandonment

An employee who fails to properly notify the director of his/her absence from work for two consecutive days will be deemed to have voluntarily resigned without proper notice. An employee who abandons his/her position will forfeit eligibility for future employment by the library.

Resignation

A written notice of resignation to the director must be given two weeks prior to the resignation. The Director may decide to let the employee go that day with the next two week's "separation" pay.

Retirement

The Library Director planning to retire should notify the Library Board at least two months prior to the retirement date, if possible. Any other library employee should inform the library director of his/her upcoming retirement. The Library gives a retirement gift to employees who retire with more than ten years of service.

Section 2.8 Re-hiring former employees

Any employee who resigns and who then later makes application for employment will be subject to the same application procedures as other applicants and will not be entitled to any benefits or accruals from previous service. Employees who resign without proper notice, or who are discharged for misconduct or unsatisfactory job performance, are not eligible for rehire.

Section 2.9 Performance evaluations

Performance Review

It is the policy of the library to provide employees with ongoing feedback about their job performance and to formally summarize that feedback on a periodic basis. Initial performance reviews occur at the end of the 90-day training period for all employees. Subsequent performance reviews will occur at least once per year for those employees who work at least 25 hours per week.

The purpose of a performance review is to improve an employee's performance and to make the employee's job more productive. The employee's job performance will be evaluated; good performance will be recognized and areas for improvement will be identified. Performance reviews will be conducted by the Director and the employee's immediate supervisor. Employees are encouraged to discuss their goals and express their comments and concerns regarding their job and the library in general.

The performance review will cover the following points:

- Amount of work accomplished
- Accuracy and thoroughness of the work
- Dependability and attendance on the job
- Attitude toward the job, fellow employees, and the library and its customers
- Ability to organize and plan work
- Knowledge of specific job duties
- Enthusiasm and initiative demonstrated
- Courtesy and cooperation toward fellow employees and customers
- Personal appearance
- Comments and concerns

The performance review process gives the library valuable information to use when considering employees for promotion and salary raises. In addition, the performance review gives the employee an opportunity to have a personal discussion with his or her supervisor and the Director. Employees are encouraged to learn how to improve their on-the-job performance and to find out how the library can help.

Section 2.10 Access to Employee Personnel Files

Employee records are kept on file in the Director's office. The employee, as well as Library Administration, has access to the employee's own records.

The Library tries to balance each individual's right to privacy with the Library's need to obtain, use, and retain employment information.

Employees have the right to access their personnel files, subject to the following limitations:

- Employees are permitted, within a reasonable time after their written request, to inspect their personnel files during business hours and in the presence of the Library Director when the file is reviewed.
- Personnel files may not be removed from the Director's Office.
- If the employee disagrees with information in his/her personnel file, the employee may submit a written statement explaining his/her position. Such employee documents must remain part of the personnel file.
- The employee is entitled to copy those documents contained within the personnel file that he/she has signed.
- The employee has no right to review reference notes or Supervisor notes in the file.

- The employer may charge a reasonable fee for the copies.

Information contained in a personnel file will be released to a party other than the employee or Library Director only under the following circumstances:

- or to comply with federal, state, or local laws or regulations.

All employee medical information and employee Immigration and Naturalization Service Forms (I-9s) are stored in separate files away from the personnel file and only those with a legitimate need to know have access to these records.

Section 2.11 Volunteers

Section 2.12 Outside employment (moonlighting)

The Library does not object to employees accepting a second job (outside employment) unless it has a negative effect on their ability to satisfy the job-related requirements of their Library position or involves the use of confidential information learned directly or indirectly through employment with the Library. Employees are requested to discuss the second job with their Supervisor if they are unsure as to the possibility of a conflict of interest or a breach of confidentiality.

Occasionally situations may require irregular and scheduled overtime work hours in excess of forty hours per week. All hours worked in excess of forty hours must be authorized by the Director, and will be compensated at one and a half times the hourly rate.

Overtime compensation is paid to nonexempt employees whose work is covered by the Fair Labor Standards Act (FLSA). They are not exempt from the law's requirements concerning minimum wage and overtime.

Exempt from Overtime

Employees in exempt positions do not receive monetary compensation, but may receive compensatory time as determined by the Director or the Board.

Professional Organizations Memberships

The library encourages membership in professional organizations. If there are funds in the budget that will allow it, the library will pay the membership dues. If not, the membership dues are the responsibility of the employee.

Section 4.10 Extended Leave of Absence

Employees may be granted up to three months leave of absence without pay, retaining rights to current position, seniority, and earned credit toward retirement, upon approval of the Library Director.

An extended leave of absence may be granted in response to unusual circumstances and is not a benefit to which employees are entitled. Circumstances under which an extended leave of absence may be granted include, but are not limited to, extended illness of employee or immediate family member, extended travel, or education.

The request for a leave of absence must be submitted in writing to the Library Director for approval and must be supported by valid reasons. Leaves of absence without pay may be granted for a maximum of three months.

The Library will provide group insurance benefits for employees under the same conditions that existed before the leave was taken for up to one month. Leaves beyond one month will require that the employee pay the full premium for any insurance benefits.

Time-off benefits (vacation and sick leave) will continue to accrue during a leave of absence (less than three months), provided that the employee does return to work after the leave period has ended. These periods will not affect the timing of performance evaluations, nor will they affect anniversary dates. Performance evaluations that may occur during a leave of any kind will not be conducted until the employee returns to work.

All vacation and sick leave available to the employee must be used first, depending on the circumstances of the employee's request. Holidays occurring during a leave of absence will be unpaid.

Section 4.11 Health Insurance

Nevada Public Library shall provide insurance programs as needed for full-time employees. Some benefits may be available for their families and dependents. These programs may include health, life, dental, and vision insurance. At the option of the Board of Trustees, insurance coverage may be contributory in nature. All full-time staff shall become members of the Local Government Employees Retirement System (LAGERS). All contributions to the retirement system are paid by the Library.

Section 4.15 Worker's compensation

All employees are covered by Worker's Compensation, which is a protection in case of injury and loss of time as a result of such injuries sustained at work. The Library carries workers compensation insurance.

In accordance with the laws of the State of Missouri, the Library will pay benefits arising out of illness or injury incurred in the course of employment. If an employee has an accident while at work, regardless of how trivial it might seem, the employee must report it to the Library Director and complete an Incident Report Form. This is for our employees' protection and to comply with legal requirements.

The cost of workers' compensation insurance is paid entirely by the Library. If you are injured on the job, you must report immediately to the Library Director, both for treatment and to protect the benefits which may be paid under workers' compensation insurance.

Report all accidents and injuries no matter how small.

Should you fail to notify the Library of an on-the-job accident and you later suffer complications from the accident, you may lose your benefits.

Section 4.16 Unemployment compensation

1. The library expects employees to present a neat, clean, and well-groomed appearance at all times.
2. Dress must be appropriate for the type of work and not offensive to the public. If an employee is uncertain about the suitability of any item of apparel, it is advisable to consult the Director before wearing the item.

Personal hygiene is an important aspect of patron service and must be properly maintained to avoid creating an environment that is offensive to patrons and fellow employees.

The Director has the right to remove an employee from the work place to correct major deficiencies in dress, appearance, or personal hygiene.

Employees are expected to obey instructions from the Director or other assigned supervisor. Failure to do so either by refusal or omission is insubordination and will result in discipline up to and including termination of employment.

Negligence, inefficiency, incompetence, or failure to perform assigned duties will result in retraining and/or disciplinary action. Negligence includes concealing or failing to correct any significant error or mistake or unsafe condition or hazard. If the employee cannot correct the problem, he or she must report it immediately to the Director.

Section 6.3 Employee Standards of Conduct

1. Employees are expected to treat co-workers with respect and courtesy. Threats, intimidation, coercion, and abusive or disrespectful language or behavior are strictly prohibited. Any employee subjected to such behavior should report it immediately to the Library Director or, if the Director is the subject of the complaint, to the Board of Trustees.
2. Ongoing gossip and complaining are detrimental to staff morale and have a negative impact on the Library as a whole. An employee who takes issue with any policy, procedure, scheduling, or other Library matter should speak directly with those responsible. While staff members are certainly free to discuss areas of concern with co-workers, it is most effective to address the issue to those who can improve or amend the situation directly. If a satisfactory result is not forthcoming, the employee should address the concern to the next higher supervisory level. If, after review, the concern is not addressed to the employee's satisfaction, the employee must decide for him or herself whether he or she is willing to accept the Library's decision or if consideration should be given to finding better-suited employment.

Disciplinary action for above violations could range from an informal reprimand through criminal conviction.

Section 6.4 Nevada Public Library Code of Ethics

Every citizen has the right as an individual to take part in public debate or to engage in social and political activity. The only restrictions on these activities are those imposed by specific and well-publicized laws and regulations which are generally applicable.

Personal views and activities of staff members may be interpreted as representative of Nevada Public Library, and thus precaution should be taken to distinguish between private actions and personal opinions, and those one is authorized to take/make in the name of the institution.

All employees have the responsibility to:

Section 6.5 Non-harassment Policy

The Library intends to provide a work environment that is pleasant, professional, and free from intimidation, hostility, or other offenses that might interfere with work performance. Harassment in any form or fashion - verbal, physical, visual - by a customer, another employee, supervisor, administrator, or board member will not be tolerated, including against employees in protected classes.

All Library employees, and especially supervisors, have a responsibility for keeping the work environment free of harassment. Any employee who becomes aware of an incident of harassment, whether by witnessing the incident or being told about it, must report it as soon as possible to their immediate supervisor.

An employee who feels he/she is being victimized by harassment should immediately contact his/her supervisor. Any validated complaint of harassment will result in immediate and appropriate disciplinary action of the offending party. In the event that the offending party is a member of the Library's Board of Trustees, the appointing authority will be immediately notified, and a request made that the offending party be immediately removed from the Board.

Some problems may not be satisfactorily resolved through this method; therefore, a formal grievance procedure exists. See Employee Grievance Policy.

All complaints will be held in the strictest confidence to the extent it does not interfere with the investigation. Retaliation of any sort will not be permitted. If it is found that a charge of harassment is filed maliciously or with malfeasance, the person filing the complaint will be subject to disciplinary action.

Section 6.6 Employee Contact with the Media

Employees of the Library are absolutely free at any time to exercise statutory rights regarding contact with political representatives or the media. While it is the right of the employee to express personal opinions to the media or others, that right does not allow employees to speak as representatives of the Library, and may not use position titles associated with their employment in a way that suggests that they are acting as representatives of the Library. Contact by employees with the media as representatives of the Library are restricted to those duly appointed as Library spokespersons.

With regard to **social media**, such as Facebook and Twitter, employees may exercise the same rights as above, but not speak for the Library. Any patron or staff member should have his/her privacy respected and protected, and should not be topics of discussion on social media.

Section 6.7 Employee Contact with the Public

The library is a public service agency. The patron always comes first. Employees have a responsibility to maintain the best relations possible with the public both on and off duty.

A Library employee must not discuss confidential information pertaining to personal matters or patron information with any member of the public. Any employee who violates this policy is subject to dismissal.

Section 6.8 Social Networking Policy

The Nevada Public Library recognizes that social media is regularly used as a form of communicating. The Library trusts and expects employees to exercise personal responsibility whenever they participate in social media. The Nevada Public Library has the right and duty to protect itself from the unauthorized disclosure of information and to protect its reputation as a business and employer. The Nevada Public Library also has the right to maintain an orderly, safe, and efficient work environment, consistent with its organizational values, practices, procedures and Library work rules and policies. This policy includes basic guidelines for each employee.

“Social media” and related technology include, but are not limited to, video, or Wiki posts, social networking sites such as Facebook, MySpace, Twitter, and YouTube, chat rooms, podcasts, discussion forums, personal blogs or other similar form of online journals, diaries or personal newsletters not affiliated with the Nevada Public Library. This policy also includes future social media technologies and applications that may not yet be contemplated.

Library employees may not access social media sites for personal use during work time. Library employees may not use social media in a manner that interferes with their job duties or violates a Library work rule or policy. Specifically, employees may not use social media to harass, threaten, intimidate, retaliate, discriminate or disparage against the Library, employees, or anyone doing business with the Library, including patrons.

Employees are responsible for protecting confidential and proprietary library information. Employees may not disclose any confidential or proprietary information on or about the Library, its patrons, its affiliates, vendors, or suppliers, including, but not limited to business and financial information.

At all times, including when using social media during non-work hours, employees must comply with the Nevada Public Library’s policies regarding the confidentiality of library operations. Employees may not, at any time, use social media to discuss confidential work-related matters.

Unless specifically instructed, employees are not authorized to speak on behalf of the organization. Employees may not represent that they are communicating on behalf of the Nevada Public Library or do anything that might reasonably create the impression that they are communicating on behalf of, or as a representative of, the Library.

Library employees are prohibited from taking photos of work related information and posting this information on a social media site, unless expressly authorized by the director or the Library board.

Employees are personally responsible for their commentary, even on personal pages. Employees should be aware that they may be held personally liable for commentary that is considered defamatory, obscene, proprietary, or libelous by any offended party, not just the Nevada Public Library.

The library requests employees to report all suspected violations of this policy to the Director. The Nevada Public Library investigates and responds to all reports of violations of the social media policy and guidelines and other related policies. Violation of the policy may result in disciplinary action up to and including immediate termination. Discipline or termination will be determined based on the nature of the issue and other factors. The Nevada Public Library reserves the right to take legal action if deemed necessary to protect the Nevada Public Library, employees, patrons, or any other affiliated individual or group.

Section 6.9 Conflict of Interest

The Nevada Public Library Board believes that it is fundamentally important that the public perceives that all policies and decisions of the Board are fairly and impartially determined, and that the personal financial interests of the Board members do not conflict with the interests of the Library. To that end, the Board has adopted the following policy:

1. A Board member shall not participate, directly or indirectly, in the making of any contract on behalf of the Library in which he or she has a personal financial interest; nor shall a Board Member participate in any decision or recommendation involving the Library in which they have a personal financial interest.
2. Any Board member aware of a personal conflict of interest regarding a matter coming before the Board shall bring this to the attention of the Board. The President of the Board shall rule as to whether the situation constitutes a conflict. If a conflict exists, the Board member shall abstain from voting and excuse him/herself from any discussion regarding the matter by leaving the room, and shall not be counted in determining the quorum if that has not already been established for the meeting. These points shall be recorded in the Minutes of such meetings.
3. In the event that the President has a conflict or perceived conflict, the Vice-President will fulfill the role of investigating and ruling on the conflict.
4. A Board member shall not participate in any way in deciding whether to hire any person related to him/her by blood or marriage closer than a second cousin, as an employee of the Library.
5. The Board, in accordance with this policy and applicable law, shall deal with any conflict of interest brought to its attention.

Section 6.10 Administrative Rules

The library director may make administrative rules for matters that are not covered or addressed in this policy handbook, insofar as the rules are consistent with and are not in violation of any rules or procedures set forth in this policy handbook and have board approval.

Part 7 -- Health and Safety

Section 7.1 – Buildings and Grounds

It is the responsibility of Nevada Public Library employees to maintain a safe environment in buildings and on grounds for co-workers and patrons. Employees should:

- Keep grounds and buildings free of obstructions that could cause injury;
- Keep snow shoveled and ice melting substance spread on sidewalks during hazardous winter weather conditions;
- Keep spills wiped up or wet floors dried to avoid falls.

Section 7.2 – EMPLOYEE: Infectious Disease

It is recognized that an employee with a health-threatening infectious disease desires to lead a normal life including working as long as he/she is able. An employee with this type of condition is encouraged to continue working as long as he/she is able to perform, and the illness presents no threat on the job to the employee, other staff, or patrons.

Employees with highly contagious short-term diseases, such as the flu or a cold, are required to stay home and encouraged to use sick leave, if available, in order to avoid spreading the sickness to other staff members and patrons.

Section 7.3– EMPLOYEE: Injury or accident

All injuries (regardless of severity) suffered by an employee while on the job must be reported immediately to the library director and documented. Good Samaritan Laws were enacted to encourage people to help others in emergency situations. They require that the good Samaritan use common sense and a reasonable level of skill, not to exceed the scope of the individual's training in emergency situations. They assume each person would do his/her best to save a life or prevent further injury.

Part 9 -- Termination of Employment

Termination of Employment

Termination from the Library will normally occur through one of the following actions:

1. **Resignation** – voluntary termination by the employee.
2. **Retirement** – voluntary termination by the employee.
3. **Dismissal** – termination initiated by the Library for with or without cause.
4. **Reduction in Force** – elimination of a position.
5. **Lay-Off** – temporary termination resulting from lack of work.

All separation will be treated in a confidential, professional manner by all concerned. The Director must assure thorough, consistent, and fair termination procedures. This policy and its administration will be implemented in accordance with the Equal Employment Opportunity Statement.

Resignations: Resignations should be submitted to the Director. Under ordinary circumstances, one month notice is expected from professional staff and at least two weeks notice from all other staff.

Retirement: Retirement notification should be submitted to the Director. Retirement must conform to the regulations set forth by Missouri Local Government Employee Retirement System.

Dismissal: Reasons for dismissal may be categorized under four (4) major headings:

1. Unsatisfactory performance.
2. Misconduct.
3. Lack of qualifications for the job.
4. Changed requirements of the job.

To insure fairness, promptness, and legal sufficiency, the Library will adhere to the disciplinary process. The Library also recognizes misconduct can necessitate the immediate removal of an employee. Misconduct may be defined as, but not limited to, deliberate and willful violation of policies, theft of property, insubordination, or other serious breaks of acceptable behavior.

Reduction in force or Layoff: When a reduction in force or elimination of a position is necessary, the Director will review this decision and receive approval from the Board prior to action of termination.

Section 9.1 Reduction in staff (Layoffs)

Should conditions necessitate a reduction in the Library's work force, the following steps will be taken:

1. We will first ask for employees to voluntarily reduce their work hours. This should be discussed with the Library Director so that you can determine when would be the best time to take time off without pay.
2. The Library Director may, at any time, decide to only selectively replace vacant positions that exist in the Library. We also reserve the right to re-assign the job duties from a vacant position to other employees in the Library.
3. If the actions above fail to provide a significant enough reduction, the Library Director will then begin to selectively reduce, either permanently or indefinitely, the current work force.

4. If all of the above attempts still do not produce acceptable results, we may then have to do an across-the-board reduction in pay and/or hours for all employees. Once the need for a work force reduction has been determined by the Board, the Library Director to be affected by the layoff will review each of their employees' performance appraisals for the past two years.

The Library Director will retain those employees whose appraisals show the best performance. Depending on the extent of the reduction, employees will be retained in descending order according to their performance levels.

Employees will be recalled based on a combination of these factors:

(a) The needs of the Library.

(b) Performance appraisal (the Library aims to bring back the best possible employees).

(c) Date of layoff from the Library. The Library Director will make every effort to assist laid-off associates in seeking other employment and in filing for unemployment compensation benefits.

Section 9.2 Voluntary termination (Resignation)

An employee can terminate his/her employment at any time, for any reason. This is a voluntary termination.

In order to resign in good standing, an employee shall give in writing adequate notice of his/her intent to resign. The letter of resignation should be addressed to the Library Director. Adequate notice for the purpose of these provisions shall be construed to mean two (2) weeks notice.

The termination action of an employee who fails to give adequate notice of his/her intent to resign shall bear the following notation:

—Resignation accepted with prejudice due to inadequate notice.

The Library Director may terminate his/her agreement of appointment on a 60-day notice. The Library Director shall also be entitled to a 60-day notice of such action by the Board. By mutual agreement of both parties, the Library Director and Board, the 60-day notice may be waived.

Failure to give notice as requested will not jeopardize payments of benefits due the employee, but shall be sufficient reason to deny an applicant consideration for employment at a future date.

The Library Director shall release an employee at the earliest possible date when an employee requests such consideration.

Section 9.3 Involuntary Termination

Involuntary termination is a separation from employment without request by the employee. These include, but are not limited to, layoffs, firings, or elimination of the position. Employees will be informed in either of two ways of termination of employment: (1) in person by the Library Director, with a last date of employment given at that time; or (2) by certified mail to current home address.

Section 9.4 Disciplinary procedures

At-Will Employment

Employment with the Nevada Public Library is at-will. This means that neither the employee nor the library has entered into a contract regarding the duration of employment. The employee is free to terminate his/her employment at any time, with or without reason. Likewise the library has the right to terminate the employee at any time, with or without reason.

Disciplinary Action

An employee's violation of work rules, misconduct, or continued unsatisfactory performance will result in progressive disciplinary steps. The severity of the penalty imposed for unacceptable conduct or job performance will increase with each occurrence. Most generally, the library will not dismiss an employee without fair warning and an opportunity to improve, except in cases where the misconduct is so intolerable or objectionable that the employee must be dismissed even on the first offense. The library's approach to correcting unacceptable behavior or unsatisfactory job performance will normally consist of the following actions:

1. *Oral Reprimand*. This is an oral warning to the employee that the conduct is unacceptable and that further infractions will lead to more severe penalties. A record of this discussion will be maintained by the director.
2. *First Written Reprimand*. This is a written record describing the offense and specifying the improvement needed by a specified time. Both employee and director will sign. A copy is kept by the director in the employee's personnel file.
3. *Second Written Reprimand*. The process in #2 is repeated.
4. *Dismissal*. This is the last resort action for employees who fail to improve their performance or conduct after imposition of progressive disciplinary actions previously taken, or for a single serious instance of unacceptable conduct, or for the good of the library.

Section 9.5 Disciplinary appeals process (Grievance Procedure)

Employee Grievance

The Nevada Public Library recognizes that some problems may not be satisfactorily resolved through informal and open discussion. Therefore, a formal grievance procedure has been established to provide each employee an opportunity to present a written grievance for consideration and reply, without fear of reprisal. The Library Director is responsible for assuring that every employee is aware of this right to appeal.

A grievance is a written personal appeal presented by an employee to change a management decision or administrative practice affecting his/her work, working conditions or employment status (including discharge). The grievance must state the reason for the belief that unfair or unequal treatment has resulted from the decision or practice.

A grievance will not be considered when based on any of the following:

1. Position elimination due to reduction in force.
2. Complaint, grievance, or concern affecting temporary employees.
3. Non-selection for promotion or transfer when the basis of grievance is an allegation by the employee regarding the qualifications of the person selected.
4. Rates of pay or benefits.
5. Assignment of location and working hours
6. Group grievances.

An employee who elects to protest a discharge may submit a written grievance to the Director within five (5) working days of the date of discharge. The grievance procedure will proceed to step 2 of the grievance procedure.

The initiation of the grievance process does not indicate that each grievance must go through all steps. Resolution of the grievance acceptable to all parties is always the goal.

Records and documentation related to grievances will not become part of the employee's personnel file.

GRIEVANCE PROCEDURE

Following are the sequential steps to be followed when an employee has a grievance.

1. The employee must submit a written grievance, to the Director, within five (5) working days of the event or occurrence. A copy of the grievance will be sent to the Board of Trustees.
2. The Director will consider all supporting documentation and may request additional information or testimony. A written reply to the grievant will be rendered in writing within five (5) five working days of notification to the Director.
3. If the problem remains unresolved, the grievant may request a sub-committee of the Board of Trustees to consider the grievance. A written request for appeal to this sub-committee must be made through the Director, within ten (10) working days from the date of the Director's reply. Three (3) members of the Board of Trustees shall act as a sub-committee. During the review process the sub-committee shall review all documentation of the grievance proceedings, and may request additional evidence or testimony. After the review, the sub-committee shall approve, modify, or disapprove the Director's recommendation. A report shall be given to the full Board of Trustees at the next scheduled meeting and a written reply mailed to the grievant.

Section 9.6 Compensation at Termination

Earned Hours:

Accumulated vacation leave (up to the maximum allowed by policy) will be paid.
Accumulated sick leave is canceled and will not be paid to the employee at termination.

Benefits:

Upon the date of termination, the employee will lose status as an "employee" for benefit purposes and will no longer be eligible for any Library benefits.

Health Insurance: Employees who participate in the health insurance plan sponsored by the Library will have coverage through their last day on the job or through the end of the month depending on the policy of the health carrier. The employee may elect to continue coverage as specified under COBRA regulations. The premium for this continued coverage may not exceed 102% of the cost of providing corresponding coverage to employees under the group's health plan.

Library Property: Prior to their last day on the job, the terminating employee is responsible for turning in all Library property to the Director. This includes any items that have been within their possession, including keys, materials, equipment, and other Library property.

Date of Termination: The date of termination will be the last day the employee actually works in the Library. This date may not be extended by vacation, holiday, or sick time. However, if the employee is on a Leave of Absence and terminates while on Leave or fails to return from the Leave, the termination date will be the date of notification or the last day of the Leave of Absence was approved.

Final Paycheck: Terminated employees are entitled to receive all earned pay. The final paycheck will be run on the next available payroll following the employee's date of termination. In addition to work hours, the final paycheck will include any unused vacation leave balances. For exempt, or professional staff, the final check will cover the entire pay period if the last day worked corresponds with the last day of the pay period. If the exempt employee works a portion of the pay period, the final paycheck will be calculated by pro-rating the days worked over the days in the pay period. For hourly employees, the final check will include payment for all hours worked during the final pay period.

Crisis Suspension

The employee will be suspended without pay pending an investigation for theft, falsification of the Nevada Public Library records, failure to follow safety practices, threat of, or the act of bodily harm, willful or negligent destruction of property, or use and/or possession of intoxicants, drugs or narcotics.

Section 9.7 Exit interviews

Every employee who leaves the Library for any reason will have the opportunity for an exit interview with the Library Director. Except under extraordinary circumstances, exit interviews will be conducted on an employee's last day of work.

Section 9.8 Final Day of Work

On the last day of work, regardless of the reason for termination, the employee is to immediately return their Personnel Manual, any library keys they may have in their possession, any library equipment, manuals, library credit card, current computer and email passwords, and staff telephone directory.

Employee shall turn in final time sheet that day, completed and signed.

Any money owed to Nevada Public Library (lost or damaged materials, etc.) will be deducted from final paycheck.

Within 24 hours of termination, employee's status in automation software will be changed from "staff" to Standard and overdue fines will begin to accrue on any library materials checked out and overdue, regardless if the materials were checked out while still an employee of the library.

Employee shall clean out desk in presence of Library Director.

Computer access and voice mail access will be deleted, if applicable.

Section 9.9 References

When a staff member is terminated by resignation, layoff, or end of temporary employment, the Library Director may provide letters of reference, if requested, to help the employee obtain future employment.

All inquiries from prospective employers about a former employee's employment record, performance, or attendance must be referred to the Library Director, who is the only person authorized to release such information.

Any unauthorized releases of information may result in disciplinary action, up to and including discharge, as this may jeopardize the former employee's right to privacy and may subject the Library to legal action.
