In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (ADA), the Nevada Public Library will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs, or activities.

Employment: Nevada Public Library does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: Nevada Public Library will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in our programs, services, and activities, including qualified sign language interpreters, print magnifiers, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modifications to Policies and Procedures: Nevada Public Library will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to use all of its services, programs and activities. For example, people with service animals are welcome in the library, even though pets are prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service or activity at the Library, should contact the Library Director at 417-448-2770 or director@nplmo.org.

Nevada Public Library will not charge to provide a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policies or procedures.

Grievance Procedure under The Americans with Disabilities Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (“ADA”). It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the Nevada Public Library. The Library’s Personnel Policy governs employment-related complaints of disability discrimination.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, and phone number of the complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request.

The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

Library Director
218 W. Walnut St.
Nevada, MO 64772

Within 15 calendar days after receipt of the complaint, the Library Director or their designee(s) will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting the Director or their designee(s) will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, Braille, or audio tape. The response will explain the position of the Nevada Public Library and offer options for substantive resolution of the complaint.

If the response by the Director or their designee(s) does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 15 calendar days after receipt of the response to the Library Board of Trustees.

Within 15 calendar days after receipt of the appeal, representatives of the Library Board of Trustees will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Library Board of Trustees or their designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the Library Director or the Library Board of Trustees or their designees, their appeals, and responses from these offices will be retained by the Library for at least three years.

Community Bulletin Board Use

The Library may allow for the posting or distribution of free handouts, flyers, or publications as a public service. NPL recognizes its role as a source of community information. Because of space and resource limitations, however, NPL must set limits and priorities for the distribution of non-library materials.

Community organizations may request to post information on the Community Bulletin Board on a space-available basis.

Posted material must describe community groups, organizations or events that are services to the general public and intended to educate, enrich or inform.

Political or election materials are not allowed for posting.

No lost animals or personal business/sales flyers are permitted.

No flyers for solicitation of donations. No donation receptacles.

Posted material must include the name of the organization sponsoring the information or event that is being publicized. Only one posting per organization may be displayed at any one time (except for Nevada Public Library sponsored events). All postings must be authorized by library staff.

Posting of notices or distribution of materials at the Library does not indicate NPL endorsement of the ideas, issues, or events promoted by those materials. The Library assumes no responsibility for any inappropriate use of posted information. NPL does not retain or catalog materials received from distribution.

Displays, Exhibits, & Artwork

The Library offers limited exhibit space for temporary display of personal collections of art or collectibles and for informational displays from civic and non-profit community organizations. Displays of handiwork, historical material, nature study, or any other material deemed of general interest may be exhibited.

The Library Director is responsible for approving and scheduling exhibits and displays in the general display areas. The Library assumes no responsibility for the preservation or protection, and no liability for possible damage or theft of any item displayed or exhibited. All items placed in the Library are there at the owner's risk.

Areas available to the public for display and exhibits are the glass exhibit case, the meeting room, and the general bulletin board. (See *appendix*: Exhibit release form) Such displays may remain for a specified,

limited period of time and must be removed at the end of that period. Library administration has the discretion to call for removal at any time.

Proctoring Services

Nevada Public Library provides test proctoring service to support distance learning students in our communities. If it is determined that a proctoring request is unreasonable or its demands are too burdensome to administer, the library reserves the right to deny any request for this service.

Guidelines

1. The library does not charge a fee for proctoring. All expenses, including copying and postage, are the responsibility of the test-taker. The library does not charge to email or fax testing materials. When a test is to be mailed to the school or professor/instructor, an addressed, stamped envelope with appropriate postage must be provided by the test-taker before the test is administered. Copies of completed exams will not be retained by the library.
2. The library provides a public computer workstation with Internet access for online exams. These workstations do not allow installation of any additional software. It is the test-taker's responsibility to ensure that the library's computer resources are adequate for their test-taking requirements. We cannot guarantee that a computer will be provided in a separate area or private room for test taking.
3. The exam or the instructions for taking the exam online must be sent to library director (Jodi Polk) at the library's street address (218 W Walnut St, Nevada, MO 64772) phone number (417-448-2770), fax number (417-448-2771) or via e-mail to info@nplmo.org.
The test-taker must contact the library, by email, phone, or in-person, at least 48 hours in advance to schedule an appointment to take the test. A member of the library staff will proctor the test.
4. The library cannot guarantee quiet conditions for test-taking. The library does not guarantee that the test taker will be under director observation at all times, but all measures to insure testing integrity will be taken.
5. Staff will verify the identity of the test-taker by requiring presentation of photo identification before administering the exam. Test-takers should not bring cellular phones or other equipment or materials prohibited by the exam instructions into the testing area. If such materials are brought into the library, they may be left at a service desk during the exam; however, the library is not responsible for these items.
6. Test takers are responsible for supplying all materials, such as pencils and calculators.
7. The library will not hold tests beyond their expiration dates. If the test has not been taken by that time, it will be destroyed. Once a test is sent via e-mail or fax and confirmation is received, any original test documents will be destroyed.
8. Library staff will not sign a proctoring verification that attests to any circumstances or conditions that are not accurate in describing the test taking conditions. When the library agrees to proctor a test, any staff member trained and oriented to administer tests may proctor tests. We do not guarantee any individual staff person will be the specific person administering the test.

All testing appointments must be made in advance & the student should call 24-48 hours before the test date/time to ensure that all credentials have been received by the proctor.

Public Services to Minors Policy

Nevada Public Library supports equal and equitable access to all library resources and services by users of all ages. Library policies and procedures that effectively deny minors equal and equitable access to all library resources and services available to other users are in violation of the American Library Association's *Library Bill of Rights*. The Nevada Public Library opposes all attempts to restrict access to library services, materials, and facilities based on the age of library users.

[Free Access to Libraries for Minors](#), an interpretation of the *Library Bill of Rights* (ALA's basic policy concerning access to information) states that "Librarians and governing bodies should maintain that parents—and only parents—have the right and the responsibility to restrict the access of their children—and only their children—to library resources." Censorship by librarians of constitutionally protected speech, whether for protection or for any other reason, violates the First Amendment.

While a large children's section exists with materials specifically for younger patrons, parents should be aware that children also have access to all materials in the library. Responsibility and awareness of what a minor is checking out rests with the parent or guardian who registered the child for a library card.

Ways that parents may review or restrict their child's account activity:

- Accompany your child to the library and assist them in their selection.
- Log in to their account to see what is checked out.
- Present the child's library card to request a list of items currently checked out.

Confidentiality of Library Records – Minors

Minors have the same privacy rights as adults with regard to their use of the public library. If a library cardholder is under the age of 18, only the caregiver who signed for the child's card may be given specific information regarding the child's account record under the following circumstances:

- If the caregiver is in possession of the child's card, they may be given any information in the child's record.
- If the child's card is not present, information will only be provided to the caregiver listed on the library account upon presentation of photo identification, and will be limited to materials that are overdue, lost or damaged, or related to fines owed.

Responsibility for Charges – Minors

The adult who registered for a library card issued to a minor, age 17 and younger, is the responsible party for fines and other charges accrued on the child's card. This includes replacement costs and billing charges for lost materials. Invoices and statements on the minor's

account are available to the responsible adult without the presentation of the child's card.

Computer Use – Minors

Nevada Public Library does not act In Loco Parentis, and as such, responsibility for online content accessed by children and adolescents on library computers or while using the library's Wi-Fi or mobile hotspot connections rests with their parent or legal guardians. In compliance with applicable Federal law, the internet connection at NPL employs internet filters. Parents or guardians who believe that their children cannot responsibly use the internet should personally supervise their use of library computers and wireless access devices while using Wi-Fi.

Safety of Children in the Library

Nevada Public Library offers welcoming spaces that encourage children to explore, create and connect. Library staff strives to provide a safe environment for all visitors, but safety cannot be guaranteed. While NPL staff are committed to helping children with activities and materials at the library, staff do not act as childcare providers or disciplinarians. Children are expected to adhere to the same rules of conduct as adults.

- Parents, guardians, and caregivers are responsible for their children while visiting the library. ● Children under age 10 may not be left unsupervised anywhere on the library premises. If a parent or guardian cannot be located within 15 minutes of staff initiation of attempted contact, the police will be notified.
- Parents will be notified if a child age 10 or older is not able to follow the library's rules of conduct.
- Children who have not been picked up at closing time will be given the opportunity to call a parent. Children who have not been picked up after closing time will be left in the care of the police. Under no circumstances will a library staff member transport children in a vehicle or accompany them home.
- Organized groups of children, such as school classes, daycare groups, and tours, must be supervised by adults in their group at all times while in the library.

Public Use of Library Technology Policy

- Library technology cannot be used for any illegal activities (including illegal peer-to-peer file sharing); producing or transmitting any threatening, obscene, or harassing materials or computer viruses; accessing pornographic websites; attempting to circumvent filters; taking any action which could violate the privacy of another individual; or damaging or disrupting Library equipment, software, or data transmission.
- The Library cannot be held responsible for the use of Library technology for commercial purposes.
- The use of Library technology is carefully monitored by staff and video surveillance to ensure compliance with Library policies. Appropriate steps will be taken to prevent misuse or abuse of Library computers and internet services. Repeated or serious violators risk losing Library privileges and will be held financially liable for any physical damage caused.
- As with other Library materials, restriction and supervision of a child's access to Library computers and the internet is the responsibility of the parent or legal guardian.
- By choosing to use these free services, patrons agree to abide by all applicable Library District policies. Failure to read or understand rules does not excuse a user for disobeying them.

This includes adding access points or installing bridges, switches, hubs, or repeaters. The Library reserves the right to remove or disable any unauthorized points of access.
- The Library assumes no responsibility for the safety of equipment, data, or personal information when connecting to the Library's network.
- While the Library network (except service available through hotspots) is filtered to comply with all applicable state and federal laws and Library policies, the Library has no control over what users choose to access. Any request to bypass the filters or access filtered websites should be directed to info@nplmo.org. A review will be conducted as soon as qualified staff is available.

Public Computers, Printers, and other Devices

- Free day passes are available for visitors without Library cards by request at the service desk.
- Nevada Public Library reserves the right to set time limits for daily use based on availability and demand. Computers automatically log off ten minutes before closing time.
- Users will be charged for all pages printed, even if they are accidental or unwanted.
- Users may not download or install any software or programs not already pre-installed by staff on Library computers. Please email requests for additional software to info@nplmo.org.
- Users bear sole responsibility for any data loss or damage to personal devices used on Library equipment. It is the user's responsibility to secure any personal data during use and delete it from Library devices when finished.

- Staff time prohibits lengthy one-on-one computer, software, or internet training outside of scheduled classes or Tech-Assist appointment.

- Patrons may not receive phone calls on Library phones. If a caller asks to speak to a Library patron, staff will not confirm the patron's presence in the Library, respecting the right to privacy.
- The teen and children's areas of Library facilities are designed for children, teens, their families, and caregivers. Use of these areas by adults who are not parents, guardians, teachers, or caregivers may be restricted to ensure that patrons have adequate access to the resources provided specifically for them.
- To ensure safety, security, and service for all, the Library reserves the right to ask patrons to relocate to another area of the building.
- Library materials must be properly checked out before being removed from the building.
- Patrons must leave the Library promptly at closing time.

Consequences

Vandalism, misuse, theft, or destruction of Library facilities, equipment, or materials will be prosecuted. Violation of any of these rules, any Library policy, or any other applicable federal or state laws can result in a temporary ban, permanent expulsion, or arrest.

Code of Conduct Violations

Violation of the Nevada Public Library's Code of Conduct or the commission of illegal conduct in the library will result in one or more of the following consequences:

Level 1: Verbal and/or written warning.

An NPL supervisor will, when reasonably possible, advise the individual of the applicable rule and violation verbally and, if warranted, in writing, and if reasonably possible, afford the individual an opportunity to address the alleged violation before implementing a further consequence.;

Level 2: Suspension of library privileges including instruction to leave the library immediately and not to return to the NPL facility for the rest of the day.

This consequence may be implemented in the case of repeat violations after one or more warnings, or violations requiring immediate action, in consideration of the severity of the violation as determined by the Executive Director, or Director's designee;

Level 3: Suspension of library privileges, including removal from, and denial of access to, all in-person library services, facilities and grounds for a period ranging from more than one day to one year.

This consequence may be implemented in the case of repeat violations after one or more warnings, or violations requiring immediate action, in consideration of the severity of the violation, where a one-day suspension is inadequate, as determined by the Executive Director, or Director's designee.

Level 4: Permanent suspension of library privileges, only in extreme cases involving illegal behavior or repeated suspensions with no positive change in behavior.

Level 5: In the case of repeat, continuing or serious violations, or entering library premises after a denial of access, an NPL manager or supervisor may notify law enforcement and request removal from library premises or other action.

Library staff may elevate consequences to any necessary level when the safety or security of the library's users and staff are in jeopardy.

Guardians of minors will be notified of any consequence except that such notification shall not be required for a verbal warning.

FORM: Incident Report

Trespass Procedure

It is NPL's goal that all patrons remain in good standing with the Library and have full library privileges. When violations of the NPL Code of Conduct occur, however, the staff member in charge can use a local library suspension (where a patron is asked to leave for a period of time) or an official trespass (where law enforcement is called and a trespass order is issued to assist with enforcing the suspension).

These guidelines outline when and how to officially trespass a patron:

STAFF GUIDELINES FOR OFFICIAL TRESPASS

NPL staff members who are designated as "persons in charge" are authorized to work with law enforcement to order an official trespass. An official trespass is a local decision that is enforced by legal means. Official trespasses are reserved for those who have actively threatened staff or other patrons, or who are so disruptive that the library cannot be used safely and comfortably. This includes, but is not limited to, any observable behavior that is prohibited by law including, but not limited to, threatening or harassing behavior (e.g. threatening to fight, brandishing a weapon, stalking, verbally threatening to harm others or their property); assaulting staff or other patrons (e.g. fighting); sexual misconduct or harassment (e.g. exposure, offensive touching, sexual acts); selling or using alcohol or drugs; theft of library materials, equipment, or items belonging to staff and/or other library users; intentionally damaging or destroying library materials, equipment or property; viewing or printing illegal materials (e.g. child pornography).

IMPLEMENTING A TRESPASS

An official trespass is issued by law enforcement at the request of library staff who has determined that a person willfully violated any rule or regulation prescribed for the use of the library or its facilities or any person whose physical condition is deemed dangerous or offensive to other library users.

Library staff must consult with the Director in making this determination. Library staff may use the circulation and computer management systems to look up patron information and give it to the police for the purpose of implementing an official trespass order.

An official trespass is generally no shorter than one (1) month or longer than one (1) year.

Law enforcement must issue the official trespass in person. If the patron leaves before an officer arrives, library staff may call to request an officer to issue the trespass when the person returns. The written trespass notification will include the length of trespass.

A review of the library's video surveillance recordings to corroborate the patron's behavior may be requested by library staff members authorized to do so according to the library's Video Security System policy. Library staff involved in the incident will complete an Incident Report and enter the trespass information into the Incident Report record.

VIOLATION OF A TRESPASS

If a trespassed individual is in the library, a library manager or supervisor, if available, otherwise another library staff member should call 911. The dispatcher should be informed that the individual was trespassed and that they have returned.

It is important to tell the dispatcher whether the trespasser is potentially threatening by either past or current conduct. The Library staff involved in the incident must also complete an Incident Report once the situation has been addressed.

USER RIGHT OF APPEAL

Individuals may request, in writing, a review of a suspension of privileges or trespass. The written appeal must be received at the following address within thirty (30) days of the suspension or trespass issue date:

Nevada Public Library
ATTN: Executive Director
218 W. Walnut St.
Nevada, MO 64772

The appeal must include a mailing or email address at which NPL may correspond with the individual making the appeal. The Executive Director or Director's designee(s) will review timely filed appeals, afford the individual a telephone hearing, and will respond in writing within thirty (30) days of the receipt of the appeal. The Executive Director or Director's designee shall have the power to affirm, reverse or modify the loss of privileges or trespass. Such decision will be final except as hereinafter set forth.

If the initial decision is upheld by the Executive Director, then for any suspension of privileges or trespass extending for a period of more than thirty (30) days, an individual may request, in writing, a review of the decision of the Executive Director. The written appeal must be received at the address set forth above within fifteen (15) days of the issue date of such decision.

The NPL Board of Trustees will review the timely filing of an appeal and will hold a hearing within sixty (60) days of the receipt of the appeal. The individual shall be notified in writing thirty (30) days before the hearing. Within thirty (30) days of the hearing, the Board or its designee shall issue a written decision. The Board or its designee shall have the power to affirm or reverse the loss of privileges or trespass or to remand it to the Director or designee with further instructions for reconsideration.

All suspensions and trespasses issued shall remain in full force and effect during any appeal period.

Non-Harassment Policy

Nevada Public Library has a strict policy against all types of workplace harassment, including sexual harassment and other forms of workplace harassment based on an individual's age, race, color, national origin, ancestry, political opinions, religious beliefs, sex (including sexual stereotyping), sexual orientation, gender identity, pregnancy (including childbirth, lactation, and related medical conditions), marital status, physical or mental disability, genetic information (including testing and characteristics), association with anyone who is a member of a protected class, AIDS/HIV status, veteran status, uniformed service member status, or any other status protected by federal, state, or local laws. All forms of harassment of, or by, employees, vendors, visitors, patrons, and clients are strictly prohibited and will not be tolerated.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly as a term or condition of an individual's employment; (2) submission to, or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

While it is not possible to identify every act that constitutes or may constitute sexual harassment, the following are some examples of sexual harassment:

- Unwelcome requests for sexual favors;
- Lewd or derogatory comments or jokes;
- Comments regarding sexual behavior or the body of another;
- Sexual innuendo and other vocal activity such as catcalls or whistles;
- Obscene letters, notes, emails, invitations, photographs, cartoons, articles, or other written or visual materials of a sexual nature;
- Repeated requests for dates after being informed that interest is unwelcome;
- Retaliating against another for refusing a sexual advance or reporting an incident of possible sexual harassment to the Library or any government agency;
- Offering or providing favors or employment benefits such as promotions, favorable evaluations, favorable assigned duties or shifts, etc., in exchange for sexual favors; and
- Any unwanted physical touching or assaults, or blocking or impeding movements.

Other Harassment

Other workplace harassment is verbal or physical conduct that insults or shows hostility or aversion towards an individual because of the individual's age, race, color, national origin, ancestry, political opinions, religious beliefs, sex (including sexual stereotyping), sexual orientation, gender identity, pregnancy (including childbirth, lactation, and related medical conditions), marital status, physical or mental disability, genetic information (including testing and characteristics), association with anyone who is a member of a protected class, AIDS/HIV status, veteran status, uniformed service member status, or any other status protected by federal, state, or local laws.

Again, while it is not possible to list all the circumstances that may constitute other forms of workplace harassment, the following are some examples of conduct that may constitute workplace harassment:

- The use of disparaging or abusive words or phrases, slurs, negative stereotyping, or threatening, intimidating, or hostile acts that relate to the above-protected categories;
- Written or graphic material that insults, stereotypes, or shows aversion or hostility towards an individual or group because of one of the above-protected categories and that is placed on walls, bulletin boards, email, voicemail, or elsewhere on our premises, or circulated in the workplace; and
- A display of symbols, slogans, or items that are associated with hate or intolerance towards any select group.

Reporting Discrimination and Harassment

If an employee(s) feel that they have witnessed or have been subjected to any form of discrimination or harassment, they should immediately notify the Library Director. If the complaint is in regard to the Director, the report should be made to the Library Board President who will take appropriate action to investigate and resolve the matter.

The Library prohibits retaliation against employees who, based on a reasonable belief, provide information about, complain, or assist in the investigation of any complaint of harassment or Discrimination.

The Library will promptly and thoroughly investigate any claim and take appropriate action where it is found a claim has merit. To the extent possible, administration will retain the confidentiality of those who report suspected or alleged violations of the harassment policy.

Discipline for violation of this policy may include but is not limited to, reprimand, suspension, and discharge. If the Library determines that harassment or discrimination occurred, corrective action will be taken to effectively end the harassment. As necessary, the Library may monitor any incident of harassment or discrimination to assure the inappropriate behavior has stopped.

In all cases, the Library will follow up as necessary to ensure that no individual is retaliated against for making a complaint or cooperating with an investigation.

Photography & Video Recording

The Nevada Public Library (NPL) is respectful of patron and staff privacy, and requests that everyone in the library respect each other's privacy. It is the policy of the Board of Directors (the "Board") of the Nevada Public Library to permit filming and photography under the conditions described herein only to the extent that it does not interfere with the operations, programs and activities of the Library. Library staff may terminate any photo session that violates library policies, including the Code of Conduct policy, or appears to compromise public safety or security.

GUIDELINES

The Board hereby authorizes filming and photography in Library facilities as follows:

1. Classes or events sponsored by the Nevada Public Library may be photographed or video-recorded by the Library's staff or its representatives. The Library reserves the right to use any photograph or video taken at any such event in publications or other media material produced, used or contracted by the Library, including newspapers, books, television, its website, brochures, invitations, brochures, magazines, and other library publications. Attendance at an NPL-sponsored class or event constitutes the consent of all attendees, and the consent of the parents or legal guardians of any minor children in attendance, to the future broadcast, publication, or other use of photographs or videos at the sole discretion of the Nevada Public Library. However, if a person does not want their image recorded for later distribution, he or she should immediately make their wishes known to the photographer or a member of the Library staff at the time of any such recording. Additionally, to ensure the privacy of all individuals, including children, images will not be identified using full names or personal identifying information without written approval from the photographed subject, parent, or legal guardian.
2. Casual amateur photography, filming, and videotaping are permitted in the lobby, study, and program areas of Library facilities for patrons and visitors wanting a remembrance of their visit, provided that the photography does not interfere in any way with Library operations or capture any identifiable likenesses of individuals without their permission. Any such photographers are responsible for arranging all necessary releases and permissions from persons who are filmed or photographed. Except as otherwise permitted in paragraph 3 by the Library itself, in no circumstances may anyone take a photo or film a Library patron without the consent of the patron, or their parent/guardian, if a minor.
3. No commercial or media photography or filming may occur in Library facilities without the prior written permission and approval of the Library Director. Such approval shall contain the conditions under which the commercial/media photography or filming will take place, and address the rights to ownership of the photos/films. For commercial/media requests, please call 417-448-2770 or email director@nplmo.org. Any consent granted by the Library pursuant to paragraphs 2 or 3 of this Policy to permit photography or filming may be revoked at any time by the Library upon failure to comply with terms of the Policy or other rules and regulations of the Library.

Unattended Children and Vulnerable Adults

The Nevada Public Library welcomes all ages and strives to provide an environment/place for all to enjoy. The safety and welfare of children and vulnerable adults at the library is of utmost importance, however, the library is a public building open to all.

Vulnerable adults and young children, ages 9 and under, should be supervised by a responsible adult at all times. Parents and caregivers are responsible for monitoring the activities and regulating the behavior of persons in their care while they are in the library. The Library Board and staff respect the rights and privacy of all library patrons. Library staff will intervene only when juveniles or vulnerable adults are left unattended or issues relating to safety, disruptive behavior, or well-being occur. Library staff will follow established library procedures for the protection of the involved party and maintain an environment free from disruption in accordance with the Library Conduct Policy.

Unattended Children/Vulnerable Adults in the Library

1. An unattended child is a minor of any age whose behavior requires them to be accompanied by a parent or caregiver. A vulnerable adult is a person over the age of 18 years old who is unable or unwilling to care for themselves.
2. The library does not have staff, staff training, or State Certification to act as a childcare facility or in lieu of trained staff or family for vulnerable adults.
3. The library staff is not responsible for the care of unattended children and vulnerable adults and does not assume responsibility from the parents or caregivers for providing for the welfare of persons in their care.
4. Library staff are not responsible for children or vulnerable adults interacting with or leaving the library with persons who are not appropriate caregivers.
5. Library staff are not responsible for any consequences of parents or caregivers forfeiting their responsibilities.
6. Library staff may refer to the police those children or vulnerable adults who are left unattended in the library when a parent/guardian cannot be reached or if the behavior of the minor child or vulnerable adult falls outside that of acceptable behavior in the library.
7. Please refer to the Library Conduct Policy for more information and procedures for addressing issues with unattended children and vulnerable adults.

Parent/Caregiver Responsibilities

1. Parents/caregivers should remain with persons in their care and be responsible for the care of those persons inside & on the premises.
2. Parents/caregivers should encourage positive behavior by persons under their care while in the library.
3. Parents/caregivers should cooperate with the library staff if persons in their care are disruptive or if they interfere or endanger others or cause damage to property.
4. Parents or guardians with children who are mature enough to be left alone at the library are expected to set reasonable time limits for their children's visits to the library and provide a means of transportation home from the library by the time the library closes.

Staff Guidelines

Staff will attempt to contact the parent, guardian, or caregiver to address concerns of lost, unattended, or scared children or vulnerable adults, or those with behavior/conduct issues.

If the parent or responsible guardian cannot be found in the building or by phone, the proper authorities will be notified after a period of 15 minutes.

An incident report will be filled out and kept on record.

Library staff may not take children or vulnerable adults out of the building unless caregivers are located within sight of the facility, nor is staff permitted to transport children or vulnerable adults away from Library facilities.

For the safety of a child or vulnerable adult left unattended in the library at closing, appropriate law enforcement authorities will be contacted to take custody after a time period of 15 minutes following closing if attempts to contact the parent, legal guardian, or custodian are unsuccessful.

Video Surveillance

Nevada Public Library strives to maintain a safe and secure environment for its staff and patrons. Security cameras are used to enhance the safety and security of library users and staff by discouraging violations of the Library's Code of Conduct, to assist library staff in preventing the occurrence of any violations, and when necessary, to provide law enforcement assistance in prosecuting criminal activity.

Camera location:

The video security cameras are positioned to record only those areas specified by the Library Director, and will complement other measures to maintain a safe and secure environment in compliance with library policies. Signage will be posted at library entrances disclosing this activity. Camera locations shall not be changed or added without the permission of the Library Director. Reasonable efforts shall be made to safeguard the privacy of patrons and employees. Video cameras shall not be positioned in areas where there is a reasonable expectation of personal privacy, such as restrooms and employee break rooms.

Retention schedule:

It is NPL's intent to retain all recorded images for approximately thirty (30) days. Images will not be routinely monitored in real-time, nor reviewed by library staff, except when specifically authorized by the Library Director or other designated employees. Any records produced by the video security system shall be kept in a secure, locked facility or manner, and managed appropriately by library staff to protect legal obligations.

Use/Disclosure of Video Records:

- Access to the archived footage in pursuit of documented incidents of injury, criminal activity or violation of the Library's Code of Conduct is restricted to designated staff: Library Director and IT designees who are authorized by the director.
- Those designated individuals may also have access to real-time images, viewable from desktop computers with a login and password. The frequency of viewing and the amount of video viewed will be limited to the minimum needed to give assurance that the system is working or to ascertain if footage is available relative to a specific incident.
- Access is also allowed by law enforcement when pursuant to a subpoena, court order, or when otherwise required by law.
- Video images will not be maintained, providing no criminal activity or policy violation has occurred or is being investigated.
- Video records and still photographs may be used by authorized individuals to identify those responsible for library policy violations, criminal activity on library property or actions considered disruptive to normal library operations as delineated in the Library Code of Conduct.

- In situations involving banned patrons, stored still images may be shared with staff. Shared images may remain posted for the duration of the banning period. After the banning period ends, these images will be archived in the Administrative Offices for 5 years.
- A digital log is maintained by the software.

The Nevada Public Library strives to maintain a safe and secure environment for the public and staff. In pursuit of this objective, the Library reserves the right to utilize continuous video surveillance and recording in selected public, interior, and exterior areas at the Library as deemed appropriate by the Library administration. This policy is in force to deter theft, vandalism, disturbances, and/or Library Policy violations in unsupervised areas and to identify those individuals involved in such activity for law enforcement purposes.

Signage in Areas under Surveillance: The public will be notified using clearly worded signs prominently displayed at the main entrance and other areas where Library premises are under video surveillance. However, the absence of such signage will not affect the validity or operation of the video surveillance system.

Security Camera Locations: Reasonable efforts shall be made to safeguard the privacy of the public and staff. The video security cameras will be positioned to record only those areas specified by the Library and will complement other measures to maintain a safe and secure environment in compliance with Library policies. The Library will only install cameras in locations where the public and staff would not have a reasonable expectation of privacy. Examples include common areas of the Library such as entrances, near book and media collections, public seating, computer areas, delivery areas, hallways, and exits. Cameras will not be installed in areas where staff and the public have a reasonable expectation of privacy nor to reveal the specific material which a person may elect to read, view, or listen to while in the Library.

Use of Video Records: For purposes of this Policy, the term “Video Records” includes still shots, streaming live and recorded video, and selected portions of recorded data.

- Video Records may be used by Library staff or law enforcement personnel (i) to identify, prosecute or take other action against the person or persons responsible for Library Policy violations, damage to Library property, criminal activity on or near Library property or actions disruptive to normal Library operations or (ii) to identify and take action with respect to any person who had been previously suspended from or denied access to Library property.
- Video Records may be used by Library staff for the purpose of assessing risks or other problems and establishing new policies or rules and regulations relative to the operation and use of the Library and to maintain a safe and secure environment.
- Video Records may be used by law enforcement personnel for law enforcement purposes.

Disclosure of Video Records

Pursuant to Missouri law, all Video Records that identify a person or persons as having requested, used, or borrowed Library material and/or identifying the names of Library users are confidential and will not be disclosed except as permitted by Section 182.817, RSMo. Except as otherwise required by applicable law or provided herein, Video Records are for internal use and not available for viewing by the public.

All requests from external sources to the Library for the release of Video Records shall be coordinated through the Library Director. The Library shall comply with any search warrant, lawfully issued and served a subpoena, or court order requiring the release of Video Records to the extent that the Video Records sought have been retained and disclosure is permitted by Section 182.817.

Requests by Law Enforcement Personnel: All requests by law enforcement personnel seeking the release of Video Records derived from the use of surveillance cameras without a search warrant, lawfully issued subpoena or other court order requiring the release of Video Records shall be referred to the Library Director. It is the policy of the Library Board of Trustees that staff should, under typical circumstances, cooperate with law enforcement without the need for further documentation or warrant. When presented with a search warrant, staff shall comply with such warrant.

Release Pursuant to Subpoena: Upon receipt of a subpoena seeking Video Records, the subpoena shall be immediately delivered to the Library Director. The Library may consult with legal counsel, if necessary, and may request legal counsel to file a motion to quash the subpoena if there are questions about the propriety of releasing the records or the subpoena itself. The Library shall comply with any lawfully issued and served subpoena in accordance with state law to the extent that the records sought have been retained and are available.

Retention and Storage of Video Records

Video Records are stored digitally on hardware in the Library and shall not be accessed, viewed, edited, or manipulated except by the Library Director and/or other Library staff on a strictly need-to-know basis in accordance with applicable law and Library policies and procedures. All equipment and storage hardware shall be kept in a secure area to avoid access or tampering by unauthorized persons.

Logs showing access to and use of recorded data will be kept by any person accessing or using such data in order to provide a property audit trail.

In accordance with the Public Record Retention Schedule promulgated by the Missouri Local Records Board, all Video Records will be retained for a minimum period of 30 days. If Library staff extracts any Video Records associated with a specific incident involving criminal or other liability issues, any such extracted Video Records must be maintained until administrative or judicial proceedings are complete.

Video Surveillance in the parking lot and building exterior

The Library acknowledges that the parking lot is shared with Moss Building tenants and with the City. The City of Nevada or Moss Building tenants may establish video cameras covering the parking lot and other parts of the building exterior. Such video cameras, and the records therein, are maintained by the owner of the video surveillance equipment and are not governed by this Policy.

Unauthorized Access and/or Disclosure

- Confidentiality and privacy issues prohibit the general public from viewing security camera footage that contains personally identifying information about library users. If the Library receives a request from the general public to inspect security camera footage, they will be advised to file a police complaint.
- A breach of this policy may result in disciplinary action up to and including dismissal. Any library employee who becomes aware of any unauthorized disclosure of a video recording and/or a potential privacy breach has a responsibility to immediately inform the Director.

Disclaimer of Responsibility

A copy of this policy may be shared with any patron or staff member upon request. The policy is also posted on the Nevada Public Library website.

Questions from the public may be directed to the Library Director or their designee.

The Library disclaims any liability for use of the video data in accordance with the terms of this policy, given that the library is a public facility and the security cameras shall be limited to those areas where patrons and/or staff have no reasonable expectation of privacy. The Library is not responsible for video archives that are lost due to power outages, hardware failure or other circumstances beyond the owner's control.

Weapons

No person shall possess a weapon on Library premises unless authorized by law.

Any person violating this section shall be denied entrance to the building or ordered to leave the building.

Any Library employee violating this policy shall be disciplined in accordance with the Employee Handbook.
